ABOUT HIGHER EDUCATION & HUMAN RESOURCE CONCLAVE

Employability of youth is major challenge in India at present. According to United Nations labour report, it is predicted that unemployment will be an issue in coming years. At the same time some reports also say that more than 60% out of eight lakh engineers graduating from technical education institutes stay unemployed every year. This is a big challenge. But as it is said, every challenge can be seen as an opportunity too.

Under the leadership of Shri Ashok Gehlot, Hon'ble Chief Minister, the state is leaving no stone unturned to bring paradigm shift in the higher education scenario by giving dedicated focus on nurturing education, entrepreneurship to make youths employable and generate employment. At the same time role of Industry becomes all the more important to collaborate with governments to help in addressing the issues related to unemployment. In this context, the 'Department of Higher & Technical Education, Government of Rajasthan', along with Elets Technomedia Pvt Ltd, Asia & Middle East's premier media & technology research organization is organizing 'Higher & Technical Education and Human Resource Conclave' in Jaipur, Rajasthan on 16-17th December 2019.

MESSAGE

I am happy to know that the Department of Higher and Technical Education, Government of Rajasthan, in association with Digital Learning magazine, is bringing out a special souvenir highlighting innovations and initiatives in the higher education sector in the State of Rajasthan.

The initiative exhibits the Department's commitment to holistic learning among students and for developing their capacity and capability. By bringing forth the best global practices, the publication will not only contribute in helping readers acquire knowledge about the higher education sector across Rajasthan but also towards the overall development of the State as well as the nation.

On this occasion, I extend my greetings and felicitations to all those associated with the publication of the special souvenir and wish them all success in future endeavours.

MESSAGE

I am happy to know that Department of Higher and Technical Education, Government of Rajasthan in association with Elets Technomedia is organising a Higher Education & Human Resource Conclave on September 24-25 at Jaipur.

The role of education in the betterment of our society is unquestionable. It is the duty of all the universities, colleges – both private and public, spread across the country, to keep harnessing the potential of students and invest in innovations that best prepare them to face the challenges of the 21st century more confidently.

I congratulate the Department of Higher and Technical Education, Government of Rajasthan for organizing the Conclave and wish the event a grand success.

MESSAGE

I am happy to know that a special souvenir is being released at the Festival of Education on 5th and 6th August 2017 highlighting the innovations and the initiatives in the higher education sector of the state of Rajasthan.

Rajasthan is witnessing rapid strides in the education sector especially in higher education. The Festival of Education, a unique initiative to bring all the stakeholders to the same forum and showcase the best practices and concepts in the sector, is sure to take the sector forward.

Higher education should trigger the spirit of innovation and entrepreneurship and at the same time ensure the employability of the students. In this context, it is laudable that the Department of Higher and Technical Education of the State is publishing their journal capturing this demand in higher education.

My Best wishes for the release of the souvenir and for the Festival of Education.

MESSAGE

It gives me great pleasure to note that Department of Higher and Technical Education, Government of Rajasthan, in association with Elets Technomedia is organising "Higher Education & Human Resource Conclave" on September 24-25 at Jaipur and special Souvenir issue of Digital Learning magazine. Dedicated to the educational landscape of Rajasthan will be launched on this occasion.

The Conclave, apart from showcasing the strengths of the Rajasthan State as the leading educational destination for students, is believed to offer a platform for discussion and deliberation on the recent innovations and initiatives in the education domain. I also learn that conclave will also bring forth the best of the solutions being practiced worldwide for harnessing the power of education, especially relevant in today's IT-led digital educational landscape. It's to be noted that in recent times, the Rajasthan Government has taken such initiatives. It's to be noted that in recent times, the improvement across the sector that is going to gain further strengths in the times to come.

I welcome all of you at the "Higher Education & Human Resource Conclave" and extend my best wishes to the Department of Higher and Technical Education, Government of Rajasthan, and to Elets Technomedia Pvt Ltd for the success of the Conclave.

Kalyan Singh
(Kalyan Singh)

VASUNDHARA RAJE
CHIEF MINISTER, RAJASTHAN

Message

I am happy to note that the Department of Higher & Technical Education, Government of Rajasthan, in association with Digital Learning Magazine, is publishing a Special Souvenir highlighting the innovations and initiatives in the higher education sector in the state. In a rapidly moving world, the contours of what constitutes education are being frequently redefined and it is important that education systems especially higher and technical, evolve and adapt to the changing times.

To my mind, a degree alone is insufficient unless the degree holder has the tools to translate the knowledge he has gained into practical output. Such the demand of markets. In Rajasthan, gradually, there is a shift from learning by rote to learning outcomes. We believe that skills and education need to come together seamlessly so that the employability of our youth is optimum.

I am sure this souvenir shall present the best practices in innovation, employability, entrepreneurship and technology being adopted by the government.

MESSAGE

It gives me great pleasure to note that Department of Higher and Technical Education, Government of Rajasthan, in association with Elets Technomedia Pvt. Ltd., is organising "Higher Education & Human Resource Conclave" on 24th- 25th September, 2018 at Jaipur.

Certainly, a proper education system is a panacea to most of the challenges currently faced by us today. Therefore, I am hopeful that the Conclave would truly be of a great help to all the relevant policymakers and stakeholders as it would act as an ideal platform for discussion and deliberations on formulating an effective roadmap ahead.

I extend my heartfelt greetings and best wishes to Elets Technomedia Pvt. Ltd. for coming up with such a unique knowledge-exchange platform and I am sure that the Conclave would achieve all its intended objectives.

I wish them a grand success.
